

# CIVIL AIR PATROL

CITIZENS SERVING COMMUNITIES

## eServices Release 07 May 2019

### What Changed?

- **Online Learning -Learning Management System** - Users can access the new **LMS AXIS Portal** through eServices LMS. Once a test is successfully completed, a course credit will be applied to eServices as applicable.
- **WMIRS 2.0 Form 18** –Added mission symbols A16, A22, B16, and B22 and reflected the changes on the Form18
- **WMIRS 2.0 FAM Screen** - Fixed multiple bugs in WMIRS FAM Screen including consistent window behaviors with all links, clear sortie fields with a button press instead of having to back out to a mission, revised the flight release and ORM void rules, and date selection stays persistent after editing or deleting a sortie.
- **O.R.M.S** – Updated the completed retirement report to make it easier to work with in excel.
- **Safety Information Reporting System** –
  - **Updated** - the permissions attached to the “First Aid Only” button so it can only be selected by a Wing Director, Region Director of Safety and Region Commander. In addition, the First Aid criteria changed.
  - **Updated** - Instructions for when filing a new mishap changed.
