

# CIVIL AIR PATROL

CITIZENS SERVING COMMUNITIES

## eServices Release 1 October 2019

### What Changed?

- **AE POA and Activity Report** – Added new unit achievement award
- **AMRAD** – Fixed permissions issue for allowing non-admin users to delete WCONS
- **Reports**- Added new report 'CAP Unit Diversity Report' to Member Reports
- **Safety Information and Reporting System** – Fixed issue with saving and permissions
- **Stem Kit** – Fixed misspelling of a word
- **WMIRS**- Fixed issue with cursor getting removed from Unit Log communication box if there were a lot of unit entries and if ORM risk increases it now voids the flight release
