

CIVIL AIR PATROL

CITIZENS SERVING COMMUNITIES

eServices Release 14 May 2019

What Changed?

- **Aerospace Education** – Removed TX Activity Reports for FY2019 as requested
- **CAP STEM Kit** – Disabled STEM Kit Applications from 1 June to 31 July
- **Membership System** – Updated the demographics list. The new categories are now based off the US Census categories. Additionally, current records were recategorized to fit into the new demographic categories. We also now capture demographics on the AE Online Application
- **Online Learning -Learning Management System** - Corrected an issue with eServices Aircraft Ground Handling credit after a user completed the course in AXIS.
- **Safety Information Reporting System** – Removed “Mishap Entry Practice” link
- **WMIRS 2.0** - Fixed Issue in Maintenance DraftBack Report charging duplicates to some wings, FAM Screen Updates and resolved issue with Orientation Pilot not an option on A6 and A8 mission types
