

CIVIL AIR PATROL

CITIZENS SERVING COMMUNITIES

eServices Release 23 July 2019

What Changed?

- **OPS Qualifications** - Fixed issue with aircraft qualification being properly reflected in OPS Qualifications
- **Personnel Information** – Fixed eServices Navigation issue when clicking email notifications
- **Specialty Track** – Fixed issue with completing specialty tracks in LMS Axis
- **WMIRS 2.0** – Fixed issue with flight release sorties without accomplishing the FRO checklist. On mobile version of WMIRS, the time formatting was updated from standard to military format
