

CIVIL AIR PATROL
CITIZENS SERVING COMMUNITIES

eServices Release 8 October 2019

What Changed?

- **CAP NEWS** - Updated the submission form text and increased the character limit on caption
- **CAPWATCH Downloads** - Added message to CAPWATCH letting users know that it will be unavailable between 12:30am and 2:00am central time
- **Learning Management System** - An open Spaatz attempt in LMS is now required to enter a Spaatz fitness test
- **Member Reports** – Fixed header issue with the cvs format for the Post Attendance Report
- **WMIRS**- Fixed issue with FRO Checklist still looking at WMIRS for open discrepancies for aircraft instead of AMRAD and fixed issue with Mission Chaplains by updating the qualifications that show on ground sorties
