MAXWELL AIR FORCE BASE, ALABAMA 36112-6332
OFFICE OF THE CHIEF OF CAP CHAPLAIN CORPS

TO: All CAP Personnel

FROM: Chaplain, Col James Hughes

SUBJECT: Training Leaders of Cadets changes

DATE: 23 May 2016

Currently the CAPR 265-1 requires that CDI applicants complete “Training Leaders of Cadets” (TLC) as part of the application process.

Recently the Cadet Programs has divided the “Training Leaders of Cadets” into three components: Basic (serving in positions below squadron deputy commander), Intermediate (serving as a squadron commander or deputy commander for cadets), and Advanced (serving as a Region of Wing DCP).

The level of training needed for CDI applicants fulfilling the “Training Leaders of Cadets” requirement is the Basic component.

This will remain in effective until the CAPR 265-1 is revised.
